Regis Construction Group
THE SELF STORAGE SPECIALISTS

Regis Construction Group

The Regis leadership team of Ken Snow, Dean Bell and Anthony Regis have over 60 years of experience in the building and construction industry, including 20 years within the self storage industry. At the Regis Construction Group we provide much more than experience and the related skills. We provide you with exceptional service, competitive pricing, continual communications and a quality project delivered on budget and on time.

For help and advice on the design and construction on your next project, please call us on:
Australia 1300 388 224 and New Zealand 64 021 175 1981
